EDUCATION PROGRAM APPROVAL

Approval has been granted for the below listed courses to be submitted for continuing education.
Licensees may only receive credit once per biennial renewal period for attendance at this course.

As an Education Provider, you will no longer be required to submit an application for a course previously approved by the Board. You are required to submit an application and fee for course approval for any changes to course outlines or subject content changes for those courses previously approved by the Board. Education Providers shall renew their provider status biennially beginning February 1, 2008.

Education Providers must issue a certified continuing education record to each participant. Records must be maintained for 5 years. The continuing education record must include the name of the participant, date of the course, name of the course, provider's name, and the number of hours of approved continuing education.
